Testimonial Dinner

May 25th, 1978

They came to the Royal York Hotel, Toronto, from far and near, some 850 alumni and friends, to honour Father John Kelly, CSB, on his retirement as President.

It was a gala evening. The Hon. James A. Jerome, '54, Speaker of the House of Commons, was the master of ceremonies. Archbishop Philip F. Pocock gave the Invocation. The Honourable Pauline M. McGibbon, Lieutenant Governor of Ontario, and the Honourable William G. Davis, Premier of Ontario, brought greetings.

Greetings were also expressed by Dr. John H. Sword from the University of Toronto; by Principal L.E. Lynch from the Faculty of St. Michael's; and by Vivian R. McDonough from the St. Michael's Alumni Association.

Edward P. Kerwin, President of the Association, announced the establishment of an annual lectureship in theology named for Father Kelly. He also presented, on behalf of the alumni, a return ticket to any destination to which Air Canada flies.

The evening was enlivened by a presentation of the saga of Father Kelly's life with projection of slides of the subject at significant dates of his life. The presentation was prepared by Brian Anderson with the assistance of Harvey Morris. Frank Kielty handled the projection.

The guest of honour expressed gratitude for the support he had received during his tenure from members of the University of Toronto, from the whole community of St. Michael's, from alumni and friends. He thanked especially the Alumni Committee, William Moher, Chairman, who were responsible for the dinner.

The evening concluded with the Benediction by His Eminence George B. Cardinal Flahiff, CSB, Archbishop of Winnipeg.

Annual Giving — 1978

Most St. Michael's Alumni have received by now our 1978 appeal. Our objective is \$190,000, \$70,000 to be put aside until 1980 for the inclusion of 121 St. Joseph Street into our campus. Our 1978 goal is \$20,000 above that of 1977. At August 1st, we had received \$40,000, \$5,000 off the pace of 1977. To succeed, we must reverse that pattern. We will have to average \$1,000 a day for the remainder of the year to do so. We are going to try. We feel confident that our regular contributors will continue their generous efforts of earlier years but we must add to their ranks. In 1977, 2,000 out of 11,000 alumni were contributors, just over 18%. Our average gift of \$85., while the second best in the University (next to Trinity), is not grounded on a base of wide participation. Our main thrust for the rest of the year is to encourage much wider participation.

There are reasons why we are behind on the score of participation: St. Michael's started annual giving much later than the older colleges and faculties in the University; 80% of our Alumni are under 40 years of age; we have not been able to have our U.S. Alumni included in the St. Michael's appeal; there is hesitation on the part of many who think, mistakenly, that smaller gifts are not necessary or welcome. We cannot do anything about the first two reasons. We can about the latter two.

TO: U.S. Alumni

We know that many of you contribute to the Associates' appeal. We do not know who you are. St. Michael's does not get your gift if you do not specify clearly that you wish the College to get it. In 1977, we received about \$6,000 in 'designated' gifts outside our regular Varsity Fund appeal. We have been able to ascertain that at least \$4,000 of that was from Canadian residents. The Associates turn over your gifts to the University but St. Michael's gets neither the credit nor the gift. This is all well and good if that is what you want. If it is not, you will have to direct the Associates to do otherwise. Whichever it is, St. Michael's does urge you to participate. Only the Associates, or so we are told, can issue receipts valid for tax relief. That is why the U.S. edition of the Varsity Fund is conducted by the Associates. If you were in Canada, St. Michael's would be in charge of it. Hence, if you want St. Michael's to receive your gift, *specify it*.

To the Hesitant Non-Participant

The Varsity Fund is voluntary. We can appreciate that you may not be in a position to be a member of this annual appeal. We do hope that you agree that St. Michael's is a worthwhile institution and we also hope that you have profited by being here. We do not expect all to give on the same scale. If that were true, we would have only one participant, the biggest giver, and the Varsity Fund would be an annual disaster. If all Alumni were to participate equally, we would meet our 1978 objective by a \$17 gift. St. Michael's cannot forget the parable of the widow's mite nor do we want to: we would be false to every tradition which we hold most dear. Please do not be deterred by the erroneous supposition that St. Michael's does not need your help, nor by the equally erroneous notion that we don't appreciate smaller gifts. We are very much concerned that you care, even if you can't give.

To All Alumni

Some are surprised to learn that in the future, universities will not survive on government help alone. There is no way in which our universities can retain their respectability and the University of Toronto and her Colleges their traditional leadership except through private help. Most particularly by Alumni. With few exceptions, and St. Michael's is not one of them, Canadian universities do not have endowment funds by which to offset the disparity between fees and grants income and costs. Governments know this and the current practice of underfunding is tantamount to saying "let those who think that universities and colleges are worthwhile and necessary prove it by helping to maintain them." In short, annual giving campaigns have the status of government edicts.

We at St. Michael's think that we have something that merits help. We hope that our Alumni agree and find it possible to do so.

Loretto College Reunion 1978

On May 27 and 28th, 1978, members of the class of 3T5, Loretto College, 387 Brunswick Ave., Toronto, husbands and friends, held a reunion at Loretto College, 70 St. Mary St., Toronto. They assembled Saturday at 5:30 p.m. for a reception in the Blue Parlour and dinner at Loretto College. After the dinner, under the Chairmanship of Dr. Victoria Mueller-Carson, each member accounted for the years since graduation, followed by a very interesting talk by Dr. Mueller-Carson.

On Sunday, Mass was celebrated in the Loretto Chapel by Fr. Frank Mallon, CSB, followed by brunch. Everybody present enjoyed meeting their former classmates, renewing old friendships and reminiscing. We hope to repeat the Reunion in a few year's time.

Those present were: Mr. and Mrs. C.J. O'Keefe (Irene Allen), Mrs. G. O'Connor (Gertrude Cain), Mrs. E. Roberts (Catherine Carroll), Sister Chahanel (Sister Margaret Ordway), Mrs. F. Sr. Geraldine Thompson, CSJ, reads her poem to the '28's

Let us go now, you and I — go out
While the etherized evening lies all about
It's *Blossom Time* and *Student Prince* days
No, No, *Nanette*, and ever-since days,
When the Champus Cat sets the campus creed
And Yes, we are *Collegiate* indeed —
and nothing
intermediate!

In the room the women come and go,
Talking of Keats and Le Rochefoucauld
Freshies and Seniors and In-betweens
"Saturday's game will be at Queen's —
"The tickets are terribly hard to get,
"But I'm counting on Vince: he'll get them yet."
Milk-shakes at Whebbies, the D.K. on Bloor,
Bridge and tea-dancing at Newman for sure.
No coop on the Crescent, no Teefy, no Carr,
And the P.B.'s lived where the books now are;
Jews' Flat, Irish, Loretto's, St. Jos's:
Co-education in limited doses.

In the room the women come and go,
Talking of Gontron Rochereau
"A bit like John Gilbert — I think he is"
"Can Pete ever Charleston like nobody's biz!"
"There's 'somebody's girlfriend, boys, you know',
"With a smart new shingle, the so-and-so".

In the room the women come and go,
Victoria, Clara, Monica, Jo;
It's the room upstairs at a Newman Tea:
"We'll go down in a jiff — very nonchalantly."
The sax is moaning 'Tea for Two,
Oh, Who stole my heart away — Who-oo-oo?
"The stairs are a challenge — my heart's a-throb —
"I've a new cloche hat and a boyish bob."
"Who's next for President, who will it be?"
"I'll vote for Paul Martin — or maybe Bill D."
In the room the women primp and prime
Hurry, Oh hurry up, please; it's time.

In other rooms — Loretto? St. Joe's?
The women pause and powder the nose.
The "fences are up" and the daffodils burst
"The timetable's posted — R.K. comes first."
"The journeys of Paul — oh, your maps are so choice!"
(He speaks to me still in McCork'lian voice.)
"*Martiis caelebs quidigam Kalendas* —
"If Latin comes next, may the Lord defend us!"
"I've covered the French with Mary Ag
"(I taught Madame de Stael the Varsity Drag!"
"Upon on your heel, down on your toe..."
And *I ergo sum* when I *cogito*
"I've studied the bases and alkalis
"And I know the bard was weatherwise
"Perp, St. John, Dominica, Bernard —
"They'll never believe I can be so learned!"

And the women come and go in the room,
(I *cogito* so I know I *sum*)
"But Dr. Phelan says it's true
"That *nihil est in intellectu*
"*Quod priusquam* — I forget the rest,
"But I'm boning it up before the test."
"And he doubts if a mirror really reflects
"When nobody's looking — my goodness what next!"
"*Me and the Boyfriend* — my boyfriend's outdoors
"In a new coon coat and pretty plus-fours;
"Balloon tires to cushion his Packard coup
"Oo, wackadoo wackadoo wackadoop!"

But let us go now, you and I
We'll be meeting soon in the by and by
"Remember the Yearbook the 2T8's wrote?
"(I've lost my own, but I'm sure I can quote:)
"Oh, have a Hartmann, I haven't the Power — "
(Somebody wrote in a talented hour.)
And he said another significant thing:
2T8 had a Sheppard and also a King
And a couple of Scrollards and nary a dunce;
But he never Muenshhened us girls not once.
"I wish he'd included us as well —
Madeleine, Me, and Hilda Lavelle?
We were all there, and some coming back:
Ida Jones and Mary Mac.
Mary Fitz and Anna O.
To the room where the women come and go.
I count their faces one by one
Gladys, Anita, Bessie Dunn,
Edith, Marian, Mary McG.
Helen and Rachel, Alice and me.
Oh, hurry up, hurry up, please; it's time
I ended this nonsense and stopped this rhyme.

HOMECOMING — 1978

Homecoming takes place on October 13 — 14 — 15

Make your plans now to be with us. There will be time to renew acquaintances with old friends and to see the new features of the campus. Each day of the weekend has a different orientation. We hope you will find one or more events which appeal to you so that as many as possible can take part in the festivities.

Instead of the U. of T. Homecoming football game we have scheduled a convivial substitute in the Coop Pub, to run from noon (time of the annual Boozer Brown football game) until 4 p.m.

If quieter conversations are more to your liking, Sunday is your day. Mass begins at 11.00 a.m. At brunch at noon the newly installed President, Father Peter Swan, CSB, will be the guest speaker. Principal Larry Lynch will also speak. Open house at the library, and a walking tour of the campus, including a look at the new sculpture, St. Michael, can round out the afternoon.

Reservations are absolutely essential for the featured years dinner and for the Sunday brunch. They will be available on a first come — first served basis. There will be no other mailing about Homecoming. Therefore, you are urged to cut out the reservation form on the back page of the Newsletter and mail it to the Alumni Office today.

For out-of-town alumni the Chelsea Inn at Yonge and Gerrard, and the Carlton Inn at Yonge and College offer new rooms at reasonable rates. Sutton Place, The Park Plaza, and Hotel Plaza II at Yonge and Bloor offer proximity to the campus, and two-night weekend rates.

All weekend, from Friday evening, there will be an Alumni Information booth in the lobby of Brennan Hall. All tickets will be available there during the hours of Alumni events.

If you have any questions or suggestions, please contact a member of the Homecoming Committee.

The Principal's Medal

A new award, the Principal's Medal, designed and struck by Dora de Pedery Hunt, was established at St. Michael's in June.

The cast of the design and the first ten medals were given by Professor Abhyann Lynch and the sons and daughters of Principal L.F. Lynch to mark his 25th wedding anniversary and his almost lifelong association with St. Michael's.

It will be a continuing award and will be the responsibility of the College once the original medals have been awarded.

The medal is to be awarded to the student who in the judgement of the selection committee has made the outstanding contribution to the College during his or her undergraduate years. The criteria include in the first place the practice of Catholicism proper to a university community. The candidate should, in addition, have a good academic record, and have participated widely in College affairs of all kinds, student affairs, academic affairs, social and other affairs. The cumulative impression must be that the student has made a distinctive contribution to St. Michael's as a whole.

The first winner was Miss Ellen Kaas, '78, of Welland, Ontario, and a graduate of Notre Dame High School in that city. Miss Kaas graduated in Commerce and Finance.
